Instructions

1. To be considered for this position, you must submit this supplement in addition to your application. The information you provide will be reviewed by a selection panel to determine which candidates will be invited to the Written Test. The panel will look at the way you complete this supplement as a sample of your ability to organize information and write effectively. Please do not say "See Resume".
2. Your supplement should be no more than two typewritten pages.

Supplemental Questions

1. Describe your relevant educational background. List each relevant course and the number of semester or quarter units or the number of educational points for each course.
2. Referring to the Requirements listed in the brochure, describe your relevant experience for the Plant Operator III Trainee position. Your answers should address the scope and level of your knowledge, skills, and abilities.
